

# 2011-2012 Conventions

Every year some of the teachers travel to conventions to continue their education. We would like to extend the invitation to any students would like to come. Below you will find a list of conventions that the studio will participate in. I wanted to get the information to you early so you could plan accordingly if you would like to join us. As each convention gets closer you will receive more detailed information. This will include hotel and flight information if need. All convention registration payments will be due to the studio 35 days before the date of the convention. There are registration forms that will need to be filled out and will be handed out closer to each convention date. All conventions will be chaperoned by the teachers. Please visit the websites for additional information on the conventions and their amazing staff. All students are eligible for convention scholarships for the following year.
