

This March, the studio will be holding its second annual dance benefit partnered with Mount Carmel Health. *Dancing for Life* is a showcase of dancers from our Elite Company, guest speakers, and information regarding breast cancer. I believe it is important for my dancers to become involved in the community and learn the importance of giving back. Three years ago my mother, Linda Stoughton, was diagnosed with breast cancer. Breast cancer is a cause close to my heart and I decided that it is important to become involved with raising money to help support the cause.

This is a *non-profit* event and all proceeds benefit the Mount Carmel Foundation Women's Health Fund, providing free breast cancer detection and survivorship programs.

The event will take place Sunday March 18, 2012 at 2:00pm in the Gahanna Lincoln High School auditorium. Tickets will be sold in the studio office for \$10 each.

There are also many opportunities to advertise your business at this event. If you would like to advertise in the materials for the event please see Erin or Brooke in the office.

We hope you will be able to join us for this hope filled day created to benefit breast cancer.

*When cancer is cured we will dance for joy, until
then we dance for life!*

Thank you for your support!

Dancingly yours,
Miss Brooke
