

Competition Newsletter

Dear Parents of Competition Dancers,

Once again it is time to participate in spring dance competitions. The students have been working hard to learn and perfect their routines for these upcoming events, and as always are excited and enthusiastic.

Dance competitions have proven to be an important tool for building team spirit, studio pride, and self-confidence among our student body. I feel this outlet, when approached with the proper attitude, can be both beneficial and a fun part of one's dance education. When attending these events, please be aware that many of the participants from other dance studios spend endless hours per week at their respective studios preparing for these competitions. Some of their directors insist on strict criteria of minimum classes per week, mandatory technique classes, auditions, and in cases weight and height restrictions before they are permitted to compete. Considering that most of our students spend only an average of 45 minutes per week working on their routine and the hundreds of awards and titles they have won over the years allows you to better understand how very well they are doing in this area of dance. It also indicates how well the teachers make use of the short time they spend with your children each week. Like you, I am extremely proud of each and every one of our groups, and thank you for the support and encouragement you have given them as parents.

Please note that EACH AND EVERY member of these competition groups plays an important role in the success of our performances. Therefore, it is mandatory that all members of the participating classes attend these dance events:

April 8-10th- Nexstar Dance Competition- Columbus Convention Center
May 6-8th- Starpower Dance Competition – Columbus Convention Center

The following fact holds true every year with every competition. The exact day and time that we will be performing is not announced by the directors of the competition until the Monday before the event. I know this is hard when planning your busy schedules, and I appreciate your patience regarding this matter. Entry fees for each class are listed on the attached entry form. All entry fees go to the competition directors.

PLEASE PRINT/COMPLETE THE ATTACHED FORM AND RETURN IT WITH YOUR ENTRY FEES NO LATER THAN **FEBRUARY 19, 2022! IF FEES AND FORMS ARE NOT RETURNED BY THIS DATE, WE CAN NOT GUARANTEE THAT THE DANCER WILL BE ABLE TO PARTICIPATE IN THE COMPETITION!**

THERE WILL BE A \$30 LATE FEE ASSESSED FOR ALL FEES THAT ARE RECEIVED AFTER THE FEBRUARY 19 DEADLINE. **CHECK OR CASH ONLY.**

Please Note: **Nationals Fees will be due April 23rd. Nationals fees must be paid by the studio 60 day before the competition. We will send out a nationals form soon.**
